

Year 2- Autumn Term - Homework Grid

Below you will find a number of tasks linked to our learning in school. Please note that some of the learning may be introduced later in the Autumn Term.

Please encourage your child to choose their tasks. It is important that they take ownership and feel free to be as creative as you would like. We would welcome any examples of completed learning to be shared in class.

We look forward to seeing what you have been up to!

<p>Create a fire work picture to celebrate firework night.</p>	<p>Find places you have visited on a map.</p>	<p>Create a piece of art using nature - what can you find? Leaves, sticks, stones etc.</p>
<p>Go for an autumn and winter walk. What signs of autumn and winter can you find?</p>	<p>Create your own obstacle course and time yourself.  Can you beat your own time? What can you use to make it? Will it be inside or outside?</p>	<p>Create a song to learn your number bonds. 9 and 1 are number bonds 8 and 2 are friends 7 and 3 6 and 4 5 and 5 are twins.</p>
<p>It is grandparents day on 1<sup>st</sup> October. Read to a story to someone who is older than you.</p>	<p>Try and draw, make, use sticks to make an outline of Great Britain.</p>	<p>Use the internet to find out about how Christmas is celebrated in another country.</p>
<p>Taste different foods and describe them. Are they sweet/sour? Dry/wet? Try something new or experiment with flavours.</p>	<p>Think about different ways to save energy through the winter.  Create a poster.</p>	<p>Create your own advent calendar. How many numbers do you need? Will you have doors that open?</p>
