

Year 3 - Autumn Term - Homework Grid

Below you will find a number of tasks linked to our learning in school. Please note that some of the learning may be introduced later in the Autumn Term.

Please encourage your child to choose their tasks. It is important that they take ownership and feel free to be as creative as you would like. We would welcome any examples of completed learning to be shared in class.

We look forward to seeing what you have been up to!

<p>Make a list and draw all the light sources you can find in your house. How many items can you find?</p>	<p>Find out about how cave art was used to communicate in the stone ages. One of the most famous cave paintings were found in Lascaux caves. Can you create your own cave painting?</p>	<p>Can you learn and practise a magic trick to share with the class?</p>
<p>Write your own play script for a story of your choice. This could be a well-known story or one that you have created.
