

Year 3 - Spring Term - Homework Grid

Below you will find a number of tasks linked to our learning in school. Please note that some of the learning may be introduced later in the Spring Term.

Please encourage your child to choose their tasks. It is important that they take ownership and feel free to be as creative as you would like. We would welcome any examples of completed learning to be shared in class. You could upload this to Class Dojo for your teacher to see or bring it in.

We look forward to seeing what you have been up to!

<p>Can you create your own oobleck? Use cornflour and water and mix together to see what happens.</p>	<p>Find a favourite city scape picture and have a go at sketching it.</p>	<p>Can you design your own robot? What does it look like? What is its role?</p>
<p>Write your own menu for the Iron Man. Create a perfect starter, main and dessert plus a drink for the Iron Man. Eg: Bike chain spaghetti with grated iron gates.</p>	<p>Play Hit the Button and practise your 3, 4 and 8 times tables. https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>Create a toolkit to help you stay in the 'Green Zone'. Make a list of all the different strategies you could use.</p>
<p>Create your own shadow puppet. What happens when you move the torch closer and further away?</p>	<p>Look at a map. Can you find 3 rivers in the United Kingdom?</p>	<p>Can you find out facts about crocodiles? What do they eat? Where do they live?</p>
<p>Create an obstacle course for you and a friend/family member to enjoy.</p>	<p>Design and make a Roman shield. You could make it big and use cardboard, so that it protects you even more from the enemy!</p>	<p>Look at scratch online. Can you make the sprite move? Can you make the sprite move backwards?</p>
