

Year 3 - Summer Term - Homework Grid

Below you will find a number of tasks linked to our learning in school. Please note that some of the learning may be introduced later in the Summer Term.

Please encourage your child to choose their tasks. It is important that they take ownership and feel free to be as creative as you would like. We would welcome any examples of completed learning to be shared in class. You could upload this to Class Dojo for your teacher to see or bring it in.

We look forward to seeing what you have been up to!

Grow a plant and show photos of its progress.	Collage a picture of an animal in the style of Megan Coyle.	Can you make a junk model of a crocodile, using recyclable materials?
Create your own non - chronological report on an animal of your choice.	Play Hit the Button and practise your 3, 4 and 8 times tables. https://www.topmarks.co.uk/maths-games/hit-the-button	Create a toolkit to help you stay in the 'Green Zone'. Make a list of all the different strategies you could use.
Make and label a diagram of the human skeleton.	Identify and label the continents of the world.	Can you research the life cycle of a spider and draw the different stages?
Take your family out for a walk or bike ride around your local area.	Draw a Roman soldier wearing a tunic and armour.	Use the Publisher Program to make a poster.
