

Year 4 - Summer Term - Homework Grid

Below you will find a number of tasks linked to our learning in school. Please note that some of the learning may be introduced later in the Spring Term.

Please encourage your child to choose their tasks. It is important that they take ownership and feel free to be as creative as you would like. We would welcome any examples of completed learning to be shared in class.

We look forward to seeing what you have been up to! You may choose to submit your work via Class Dojo!

|---|--|--|
| <p>Make a mini water cycle terrarium. You could use an old jam or pickle jar add some soil, some plants and some water and watch the water recycle.</p> | <p>Create a collage inspired by the work of Megan Coyle. You could include your own pet or a flower from your garden.</p> | <p>Research and learn about an ancient Egypt monument. Write down your top 5 facts.</p> |
| <p>Research Viking Runes. Can you carve your name using these?</p> | <p>Complete a practice test of the Multiplication Time Table Check using https://urbrainy.com/mtc</p> | <p>Write a poem from the point of view of someone who has just experienced a volcanic eruption.</p> |
| <p>Investigate a musical instrument, used by the Egyptians, Anglo-Saxons or Vikings. What does it look like? How was it used? How does it sound?</p> | <p>Create your own restaurant menu for you and your friends. Are a variety of food groups included?</p> | <p>Write a book review for a book that you would highly recommend to a year 4 pupil.</p> |
| <p>Can you compare Gloucester to another European city? Think about climate, population, architecture and travel.</p> | <p>Construct a food chain from an ecosystem in different country.</p> | <p>Write five sentences including prepositions about objects in your bedroom. You might want to include a picture.</p> |
